Teachers of the department addressed the students and welcomed the junior students in a touching way. Senior students shared their campus experience with the juniors. Self introduction of the junior students and variety entertainment activities were done in the function.

IV

Programme: '*BETTER LEAP PROGRAMME*'

Date: 02/08/2017

Objective: The Better Leap Programme (BLP) of History Department envisages an ongoing programme with the active involvement of teachers, students and parents to ensure study quality improvement associated with the academic pursuits of the students.

Report: The programme starts with the analysis of university examination results of previous semester and fixes a specific target of the current semester and the year. As a first step the personal interaction with teachers and students brings out a target score sheet for the internal examinations and university level semester examination. The target fixation is being intimated to the parents by a well planned PSTA meeting in the beginning of the semester, to ensure the all round co operation of the parents.
