## DEPARTMENT OF HOME SCIENCE

### REPORT ON EVENT MANAGEMENT

2022-23

Home science students arrange different events with all its special features. Through these students get training in planning, carrying out and managing different events.

**Brief Report:** The students of Department of Home Science conducted “Gestion De Eventos- Making Events Come Alive”, the event management day celebration on 27<sup>th</sup> April 2023. Students arranged the ambience and joy of 3 different festive days such as Christmas, Onam and Eid-ul-Fitr and named each events “Overture, Feliz Eid and Aarppo” respectively. Vice Principal Fr. Jobi Jacob was the guest. They also arranged grand food for the department faculties, students and special guest of the day.
