State Higher Education Reforms Implementation Cell

About Nirmalagiri College

Nirmalagiri College, an Aided College, is managed by the Archdiocese of Thalassery. Established in 1964, it is an A++ graded college affiliated with Kannur University. The college offers 11 UG and 4 PG Programmes and is home to two research centres and an Institute of Research in Interdisciplinary Studies and Human Resource Development (IRISH). Nirmalagiri College has received numerous accolades and grants, including Mentor Status under the PARAMARSH scheme of UGC, RUSA, DBT-STAR, DST-FIST, UGC, and KSCSTE-SARD. The college is dedicated to the holistic development of its students.

Seminar Objectives:

- **Disseminate Information:** To disseminate accurate and up-to-date information about the Kerala State Higher Education Curriculum Framework as per NEP 2020.
- **Prepare Educators:** To prepare college teachers for the imminent transition to 4-year undergraduate degree courses, equipping them with the necessary knowledge and skills.
- **Promote Research:** To encourage and promote research activities at the undergraduate level, fostering a culture of inquiry and discovery among students.
- **Facilitate Credit Transfer:** To facilitate a smooth academic transition for students through an understanding of academic credit carry-over mechanisms.
- **Curriculum Development:** To empower educators to contribute to the development of new courses and Programme outcomes that align with the changing educational landscape.

Seminar Outcomes:

- **Enhanced Understanding:** Gain a deep grasp of the Kerala State Higher Education Curriculum Framework based on NEP 2020, enabling effective navigation of changes.
- **Programme Adaptation:** Learn to align teaching methods and curricula with Kannur University's upcoming 4-year undergraduate degree courses in 2024.
- **Research Integration:** Explore strategies for incorporating undergraduate-level research, cultivating a culture of innovation among students.
- **Credit Transfer Knowledge:** Acquire insights into academic credit carry-over mechanisms, easing student transitions within the educational system.
- **Course and Programme Development:** Equip yourself with the knowledge to create new courses and Programme outcomes, ensuring students' readiness for the evolving higher education landscape.
