5.4 - Alumni Engagement

5.4. Alumni Engagements during 2023-2024

1. Illustrious Alumnus - 27.10.2023

As part of our Illustrious Alumnus programme of Chemistry department, on 27.10.2023, Dr. John K Thottathil, Vice President of Development R & D at Xeris Pharmaceuticals in Chicago and an alumnus of our department (1972-1975 Batch), visited us. He interacted with all chemistry students batch-wise during his visit.

2. Silver Jubilee Celebrations of History Department -04.11.2023

The department of History Nirmalagiri college celebrated her 25th birthday on 4th November 2023. The alumni association and the former faculties and the students made the celebrations a grand one. Mar Joseph Pamplany, Archbishop of Thalassery Archdiocese inaugurated the celebration. Various Cultural Programmes were presented and winners of various competitions were given prizes at the function. The History Museum sponsored by the Alumni of the department was formally handed over to the college and the department in the function.

Refreshment & Cultural Programmes

Jubilee Memorial Tree Planting by Alumni

3. Installation ceremony of the Smart TV donated by Alumnus

Date: 06/07/2023

Venue: Department of Physics, Nirmalagiri College

The installation ceremony of the Smart TV, donated by an alumnus, was conducted by Dr. Siby Philip, the Alumni Secretary, in the presence of the College Principal, Dr. T K Sebastian, and the Bursar, Fr. Shajee Thekkemuriyil.

4. Interaction of alumni with second-year undergraduate students

Date; 05/12/2023

Venue: Room No. 309

Resource Person:Mr Jepsinraj K P ,

Mr. Jepsinraj K P, selected for Ph.D. at the University of Darmstadt, Germany, graciously shared invaluable insights with second-year undergraduate students regarding the pursuit of doctoral studies abroad. The guidance session, held at [Institution Name], proved to be enlightening and empowering for aspiring scholars.

During the session, Mr. Jepsinraj provided detailed insights into the application process, shedding light on the essential components and requirements for securing admission to prestigious international universities. He underscored the significance of crafting a compelling research proposal and preparing a well-rounded application portfolio to stand out in the competitive selection process.

5. Interaction of alumni with first-year undergraduate students

Date; 30/01/2024

Venue: Room No. 309

Resource Person:Ms. Ranjuna M K

Ms. Ranjuna M K, an alumna of Nirmalagiri College and a Ph.D. graduate from IIT Palakkad, engaged first-year undergraduate students in a discussion on fostering a passion for

physics, sharing insights on effective study techniques and strategies to excel in NET exams. Her experience as both a student and a teacher provided valuable perspectives on career opportunities in physics, inspiring students to pursue their academic and professional aspirations with determination and enthusiasm.

6. Interaction of alumni with final-year undergraduate students

Date; 07/02/2024

Venue: Room No. 309

Resource Person:Ms. Liya,

Ms. Liya, a recent Ph.D. graduate from Chile University, offered invaluable guidance to final-year undergraduate students on pursuing doctoral studies abroad, emphasizing thorough research, proactive communication with potential supervisors, and diligent application preparation. Her insights illuminated the steps involved in securing admission and funding, empowering students to embark on their Ph.D. journeys with confidence and clarity.

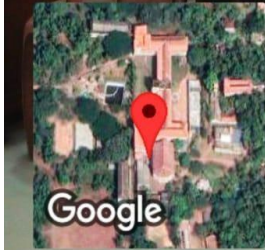

7. Alumni Visit to the Department - "Back to Campus, Back to Department"

Visit of Jose Thomas K , Nikhil Das, and Sreerag A of 2017 BSc to Department

Date: 12/02/2024

Three alumni of the 2017 BSc batch, namely Jose Thomas K, Nikhil Das, and Sarang A, paid a visit to the department. This visit marked a delightful occasion as it allowed current students and faculty members to reconnect with former students and learn about their professional journeys since graduating from the department. The primary purpose of the visit was to reconnect with the department, faculty, and current students. Additionally, the alumni were keen to share insights from their experiences in the industry and offer guidance to current students as they prepare to embark on their own careers.
